Hello Paula & Richard,

I am assisting Celia Vanderloop with sending out a doodle to schedule a meeting for VB/I-70 Design Concepts, this is to discuss moving forward with the planned removal action for the superfund site. She asked if your agency can host this meeting as there will be several people that I am sending out the doodle to confirm the best possible date, sometime between 10/15-10/29.

Both of you will be included in this doodle poll.

If you have any questions let me know.

Thank you and have a great day!
